# ROBOTICS & AI WRITTEN OLYMPIAD EXAM

Dear Parents and Students,

The field of **Robotics and Artificial Intelligence (AI)** is poised to become integral to virtually every aspect of our lives. These technologies are no longer just futuristic concepts; they are foundational to countless industries and innovations. It is therefore imperative that students develop a foundational understanding of Robotics and AI early in their academic journey, as these skills are essential for navigating the challenges of the future.

As part of the ICSE Curriculum, **Robotics and AI** are offered as vocational courses for students - Grade 9 and Grade 10. However, we believe that the key to success lies in laying a strong foundation at an earlier stage. With this in mind, we are proud to introduce the inaugural **Written Robotics and AI Olympiad**, an initiative designed by **BrainBrotix** to ignite curiosity and build a fundamental knowledge of Robotics, beginning from Grade 5.

The goal of this Written Olympiad is to introduce students to the fundamentals of Robotics, while sparking their curiosity and passion for this transformative field.

By fostering early exposure to Robotics and AI, we are preparing our students not only to adapt to the future but to shape it. Together, let us equip our children with the knowledge and passion to excel in this dynamic field!!

## ELIGIBILITY CRITERIA

### **Brainbrotix Explorers:**

Exploring Robotics and Artificial Intelligence (Grade 5)

### **Brainbrotix Navigators:**

Guiding their way through Robotics and Artificial Intelligence (Grade 6)

### **Brainbrotix Pathfinders:**

Finding new paths to Robotics and Artificial Intelligence (Grade 7)

### **Brainbrotix Trailblazers:**

Leading the way to Robotics and Artificial Intelligence (Grade 8)

## EXAM CENTRE

**PAPER BASED, TO BE CONDUCTED IN SCHOOL IN NOVEMBER 2026**

## Prizes and Recognition

- All India Level Gold Medal and cash prize of **Rs. 10000.00**
- All India Level Silver Medal and cash prize of **Rs. 5000.00**
- All India Level Bronze Medal and cash prize of **Rs. 2500.00**

School Level **Gold Medal**  
School Level **Silver Medal**  
School Level **Bronze Medal**

## Certificates

will be provided to all participants and rank-holders

### Please Note:

- All decisions of personnel of **BrainBrotix LLP** will be binding on all participants and cannot be challenged.
- **BrainBrotix LLP** reserves the right to cancel the competition and refund the amount.
- All prizes and awards will be sent to school, in case of enrollments through school.

## How to Participate

Entry fees of **Rs. 150** for exam and **Rs. 250** for the preparatory book to be submitted to Class teacher with all the details of the participating student – Name and Class.
